COURSE ABSTRACT

GRADING CRITERIA

Criteria	Weighting
Exam - Case analysis (individual, in-class, open-book)	50%
A moot court (in groups, in-class, open-book)	30%
Test I (individual, closed-book, in-class)	10%
Test II (individual, closed-book, in-class)	10%

COURSE REQUIREMENTS

In order to pass the course, a student must: 1) submit a case analysis; 2) participate in a moot court, and 3) take two tests. The final grade of the course will be the average grade of the case analysis, the moot court and two tests (based on the 50%-30%-10%-10% proportion). In case one of the components (apart from the exam) is graded below 4, it is not possible to re-take it. If a student fails the exam, a student is entitled to do a re-exam. If at the end of all four assignments, the final grade turns out to be negative (1 – 3), a student needs to re-take the course.
